Special Collection of Brush

During the past week the citizens of Cincinnati have experienced numerous trees and tree limbs down from the recent snow storm. Effective February 26, 2007 through March 2, 2007 (weather permitting) the Department Of Public Services and the Department Of Parks will remove brush from the curbside. Please place your brush at the curb on your regularly scheduled garbage collection day for removal. Minimal preparation would make collection by City crews more efficient. Please call 591-6000 for additional information.
